

Sprint 3 Report
DnD Assistant App
DnD Assistant App Team
05/03/22 – 05/17/22

Actions to stop doing:

- Forgetting to consider team meeting times in future schedule plans

Actions to start doing:

- More merging, continuous integration of components

Actions to keep doing:

- Showing up to meetings/stand-ups
- Having meeting topics/agenda
- Creating mockups of UI designs
- Pull requesting finished work

Work completed/not completed:

- Completed:
 - As a player I want to be able to view a list of spells I can use on my website, so that I can use it as reference during my game.
 - As a player I want to be able to search and filter through my list of spells by attribute, so I can easily access the spells I'm looking for.
 - As a player, I want to save my character to my account, so I don't have to recreate it with every use.
- Incomplete:

Work completion rate:

- User stories completed: 3
- Estimated ideal work hours completed: 38
- Sprint days completed: 14
- Average: 0.214 user stories per day, 2.714 ideal work hours per day

Final burnup chart:
