

# Sprint 1 Report

DnD Assistant

4/19/22

## Actions to stop doing:

- Not focusing enough on completing the SCRUM
  - Meetings run on quite long even though it is usually supposed to go for about 15 mins. Usually because there are other topics and issues that are brought up. Though this is only the beginning weeks so maybe that is normal

## Actions to start doing:

- Create an itinerary before team meetings so that we stay on track and we can finish the meetings at a reasonable time

## Actions to keep doing:

- Everyone comes to the meetings
  - Everyone always makes it every team meeting we have

## Work completed/not completed:

- Completed:
  - Functions for the dice rolling
  - Login buttons
- Incomplete:
  - Buttons for the dice roller

## Work completion rate:

- Total number of user stories completed: 1.5
- Completed work hours: 2
- Duration of Sprint 1: 2 weeks
